## ONE-to-ONE TUTORING

### Private Individual Tutoring Sessions

Individual Tutoring sessions are remote or in-person, and may be scheduled as single 45minute or double 90minute sessions. Price for 4 Single sessions is \$209. 5% discounts are offered when paying for 10 or more individual sessions at a time.

Math Monkey Tutoring offers highly experienced teachers who help students catch-up, maintain or accelerate their learning as we've done for 14 yrs.

Math Monkey will assess your child's knowledge and understanding, and form a plan to best address your child's particular needs and situation. Your students will gain confidence as they learn. To keep pace with or surpass their peers.

Math Monkey offers 1-on-1 tutoring at convenient times every day of the week

## MathPodz

### In-Person and Virtual Private Math Classes

MathPodz offer small classes for between 3-5 students arranged by and with parents. MathPodz classes will draw from Math Monkey's great curriculum and will be customized for the particular children in the Pod.

MathPodz classes days and times are scheduled as is practical for families and teachers.

Price for a 10 week session is \$418 per child.

# MATH MONKEY

## 2022 - 2023 SCHOOL YEAR

### TUITION/FEEES FOR ENRICHMENT CLASSES

Math Monkey classes are an **ongoing, year-round, program** that supplements what students learn in their day school. Our program will prepare your child for the competition of high school and beyond. Students attend an hour-long class once a week. **Math Monkey classes require a minimum initial commitment of at least 1 full session – 10 weeks.**

#### **Math Enrichment Class Fees**

<b>Session Commitment</b> Fall, Winter, Spring Sessions	<b>Class Fee *</b>	<b>Session Payment</b>
<b>MathPodz</b> Classes - 1 Session of 10 classes Virtual or In-Person	\$ 418.00 (10 Classes)	\$ 418 / Full Session (10 weeks) Prepayment required, Participation start may be prorated.
<b>Student Evaluation</b> 45 min evaluation	\$ 50.00 – Verbal Report \$ 125.00 – Written Evaluation and Plan	
<b>One-on-One Tutoring</b> Tutoring Sessions are 45 minutes in length. Double Sessions are 90 minutes in length.	\$ 209 – Four 45 minute single sessions \$ 495.00 – Ten 45 minute single sessions (w 5% disc)	
* Class fees will auto bill and auto renew each session until receipt of a 30-day withdrawal notice * There is no auto-enrollment for Summer or Fall classes. Special events, or Camps		

**Fee Structure for MathPodz Private Classes:** Class tuition is \$418 per Session (10 classes) with minimum commitment of one 10-week session. There is a one-time registration fee of \$49 per child for initial enrollment and evaluation.

**Sibling and Multi-student Discounts:** We encourage family learning and offer sibling and multi-class discounts of 10% for the additional siblings and classes. Discounts are valid for Math Classes only and not for Tutoring. Discounts apply to siblings only or for the same student enrolled in additional classes. At times we may offer other discount incentives. Only one discount can be applied at one time.

**Tutoring Pre-Payment Discount:** Fees for tutoring are due in advance at all times. Pre-payment discounts are available for those wishing to pay for 10 or more sessions at a time.

**Termination: A 30-day written notice is required to withdraw from the program to avoid additional fees.** Without advance notice, a **\$100 termination fee** is automatically charged **per child**.

**Payment:** Math Monkey Class and Tutoring Fees can be paid by Check, Credit Card, Direct EFT bank transfer, Zelle or cash.

**Late Payment:** Tuition is billed in advance all classes and tutoring. If a credit card is declined for any reason, a new credit card must be received within 1 week to avoid \$15 late fee. All other payments (cash/checks) are also due within 1 week after billing. Bounced checks are subject to the \$35 bank charge we must pay.

**Missed and Make-up Lessons:** We realize it is sometimes necessary to miss a class. Our goal is to ensure consistent learning opportunities for all of our monkeys so we encourage attending a makeup class if one is available. Makeup classes are subject to availability. We kindly ask that you provide us with at least 24 hour notice, when possible, if your child will be absent Math Monkey cannot guarantee a specific instructor or time slot for make-up lessons. Under all circumstances, **No cash or class credits are given for missed lessons.**

**1-on-1 and Group Tutoring, Drop-in Homework Help Attendance:** Math Monkey 1-on-1 Tutoring is offered on a scheduled appointment basis. We will book your tutor exclusively for you for the dates and times you select. **If you must miss a tutoring session we require a minimum of 24 hours notice in order to have that session rescheduled. Cancellations within 24 hours of the scheduled session will be charged the same as No Shows.**
